Catholics 4 Ever

App is now ready to download.
It's FREE!

How to download to your iPhone:

1. Go to the App Store.
2. Go to the **search area** (it should be at top of your screen or look for small magnifying glass at bottom of screen. Press magnifying glass.) When you press the magnifying glass, it will take you to the top of the screen again to type in the name of the app.
3. Type in **catholics 4 ever**. It should be listed as the third name down.
4. Press the name, and it will take you to the download site.
5. Next to the name Catholics 4 Ever, tap OPEN.
6. In the initial set up as it is downloading, it will ask you what groups you want to be associated with to receive notices. It would be best to check your particular parish and then ALL PARISHES to begin, in case a message has to be sent to everyone. For those with children in religious ed, make sure you select it, and for our CYO members, you can select that also. You can change settings once you've downloaded the app. Then, explore and have fun!

You can also do this on your iPad in the same similar way.

How to download to your Smart Phone:

1. Go the Google Play Store for Android devices.
2. Follow point 2 above, and then the rest of the directions.

Make sure you explore the app, especially the **Resources** section, and then check the calendar. As time goes on, more will be added to keep the entire Catholic community connected.
