

OFS October Retreat 2016

The St. Francis of Assisi Secular Franciscans gathered for their annual Local Retreat given this year by Brother Patrick McCormack, OFM. The weekend began with the viewing of the file: "Clare and Francis" by Ignatius Press. Brother Patrick spoke of the Franciscan Life, Francis' prayer and discernment of God's will and how this is to be carried out in our own lives. Liturgy of the hours, discussion, meals and the sacrament of Reconciliation filled the weekend. All experienced many blessings and much to ponder.
